

# **PAYMENT TO USER FOR ACCESS TO USER INFORMATION BY OTHERS**

## **Abstract of Disclosure**

Paying users for access to their personal information by others is disclosed. Users register with an information provider. Personal information regarding the users is stored by the information provider, or at the users themselves. Organizations pay the information provider for access to the users' personal information. The information provider pays to each of these users a portion of the amount collected from the organization for access to their personal information.

Figures

Figure 1: A line graph showing the relationship between the number of hours spent on a task and the number of errors made. The x-axis represents 'Hours' (0 to 10) and the y-axis represents 'Errors' (0 to 10). The data points are as follows:

Hours	Errors
1	1
2	2
3	3
4	4
5	5
6	6
7	7
8	8
9	9
10	10

The graph shows a positive linear relationship between hours and errors.
